We have re-imagined the Deerwood Outdoor and Gun Show

Deerwood Civic & Commerce is a non-profit organization dedicated to the promotion of the Deerwood area Community. We produce these events to enhance the enjoyability of the area. Proceeds benefit the Community, its Public Works, Fire, EMS, Residents and Businesses. Come join us for the NEW OUTDOOR AND GUN SHOW!

Show off your Products! May 2nd and 3rd, 2026

The **Deerwood Outdoor & Gun Show** is a great place to market your products in an open-air, hometown - friendly atmosphere.

Bring your Recreational Vehicles, boats, lawn and utility equipment, All Terrain Vehicles, bicycles, guns and hunting and fishing products & accessories. We have space for campgrounds, resorts and golf courses too! If it has to do with the outdoors, we want you represented here.

Let's be clear, **this is a major upgrade in planning and production** from the Outdoor show of the past, and we are going to advertise it that way.

We will be advertising in the Crosby, Aitkin and Brainerd newsprint, as well as broadcasting on local radio. And we will be preparing signage to bring a wide area of customers to your products and services.

Join in the fun and build new relationships!

Note: indoor space prioritized to gun vendors.
